Colonial Electric Supply
201 W. Church Rd
King Of Prussia, PA, 19402 (HQ)

Colonial Customers,

11th November 2021

Due to a sink hole, all traffic at the intersection of Henderson Road and Church Road in King of Prussia is currently closed off. We have been monitoring the situation closely with local law enforcement who informed us that the issue will likely take several days to resolve. All traffic to our King of Prussia location will have to turn off West Dekalb Pike (202) on to South Gulph Road and make a left at the Valley Forge Memorial Gardens Cemetery on to West Church Road. We apologize for any inconvenience this may cause and will update you as the situation changes. Our King of Prussia Location will still be operating on our normal hours.

Monday-Friday: 6AM-5PM
